The Northfield Country Club Men's League will begin on Thursday, May 22, 2009 at 5:15 p.m.

The Men's League is for members only and open to men who are 18 years or older. The format will be matchplay where players are matched against other players who have similar handicaps.

Men's League Fees:

Active Player - \$30.00

Substitute Player - \$20.00

Please pay Men's League fee on or before the first Thursday of League Play in the Pro Shop.

The League will be limited to 60 active players and available on a first come first serve basis. Active players are expected to participate weekly. If you cannot play, a list of Substitute Players and their respective handicap will be made available that the active player can call to sub for him. Efforts should be made to select a sub with a similar handicap as the active player or adjustments will be required to ensure an equitable match.

The NCC Men's League will conclude on August 27, 2009 with golf and an awards banquet.
